

“Let Go of the Boat!”
Matthew 14:22-31

constrained
–strongly insisted

Jesus knew He was sending the disciples into a storm.

The will of God will never lead you where the grace of God cannot keep you.

The Big Question:
***“Do I go, or do I stay in
the boat where it is
safe?”***

***There comes a time
when you must decide,
“Do I believe enough to
let go of the boat?”***

***Peter found himself
walking in the
miraculous, living in the
supernatural.***

***If you are going to walk
in the miraculous, you
can't be swayed by
those who give you
"weather reports."***

***No one will think less of
you if you stay in the
boat.
It is where most are.***

***If you get out of the boat of
normalcy and into the
waters of the miraculous,
God will give you keys that
will unlock experiences
others will only read about.***

***You cannot walk in the
miraculous while sitting
in the boat.***
